FROM MURPHY. PERSONAL FOR HICKERSON.

Depts 819* May 7 re text of letters to be exchanged by ECA (rpt ECA) and French zone. In that connection it would be helpful if you could inform us promptly re Depts attitude on subject of French participation in JEIA which was discussed in recent Delsec telegrams from London. Does Dept contemplate that suggested exchange of letters would happen in absence of agreement re French participation in JEIA?
