Description: From the typescript inventory: "Night in Ancient Woods." This is one of a set of black ink sketches made along the route of the Long March by one of its survivors. The artist used scraps of paper of different kinds, sizes, and colors—whatever was available. The drawings were presented to Nym Wales in Yenan in 1937. The sketches have been published in "Chang zheng hua ji" by Zhen Huang, a copy of which is available in the Hoover Library.
